

Lift Truck Safety Training Program: Certification Acknowledgment

Choose one: ☐ Certification ☐ Recertification

I, _____, (The Home Depot associate) _____(associate ID), acknowledge that I have completed all of the following required training for certification/re-certification.

Certification

1. *Lift Truck Safety—Principles of Lift Truck Safety Certification*
2. At least one of the truck-specific certifications, which include the following components for each piece of equipment
 - Lift truck-specific WBT
 - Lift truck safety instructor-led training/practice using the *Lift Truck Safety—Certification Guide*
 - Lift truck-specific CheckRide

Re-certification

Lift Truck Safety—Recertification CheckRide

I will comply with the applicable lift equipment safety standards when operating lift trucks at Home Depot stores.

I demonstrated 100% skill level on each of the task tests for the lift equipment indicated in the table below. I have satisfied the requirements to receive license for the lift equipment indicated in the table below.

After the associate successfully completes the Certification CheckRide, the lift truck trainer records the certification date, his or her name, and signature next to the appropriate lift truck(s). Next, ask the associate to sign his or her name. Then, take the completed form to the administrator to complete the lift truck operator license.

Type of Lift Truck	Certification Date	Trainer Name	Trainer Signature	Associate Signature
Sit-down Forklift (SDFL)				
Reach Truck (RT)				
Electric Pallet Jack (EPJ)				
Order Picker (OP)				
Pacer Unit (PU)
